

**Anesa Chaibi**  
**President & CEO, HD Supply Facilities Maintenance**

Anesa Chaibi became president and CEO of HD Supply Facilities Maintenance<sub>sm</sub> (then Home Depot Supply MRO), a multi-billion dollar business unit, in September 2005. She has led the business through incredible transformational change ranging from acquisitions, integrations, divestitures and a major ERP deployment while growing profitability each year. She is chartered with further refining the strategy of the business to drive accelerated growth.

Anesa began her career in 1989 on the GE Chemical and Materials Leadership Program. She held roles of increasing responsibility in Manufacturing, Operations, Production, Marketing, Corporate Initiatives, Global Sourcing, Six Sigma Quality and as a Business Leader within GE Silicones, Plastics, Power Systems, Industrial Systems, Water & Process Technologies and Infrastructure before leaving to join Home Depot and then HD Supply. During her career, she also worked for CSC Index as a Strategic Management Consultant.

Anesa has a Bachelor of Science in chemical engineering from West Virginia University and an M.B.A. from the Fuqua School of Business at Duke University.

HD Supply Facilities Maintenance is part of HD Supply ([www.hdsupply.com](http://www.hdsupply.com)), a leading wholesale distribution company, providing a broad range of products and services to professional customers in the infrastructure & energy, maintenance, repair & improvement and specialty construction markets. With a diverse portfolio of industry-leading businesses, HD Supply is one of the largest diversified wholesale distributors in North America, with approximately 765 locations.
