

Who We Are

HD Supply is one of the largest industrial distribution companies in North America. Through a diverse portfolio of industry-leading businesses and more than 80 years of experience, the company provides a broad range of products and services to approximately 400,000 professional customers in the infrastructure and energy, maintenance, repair and improvement, and specialty construction markets.

With 680 locations across 45 states and nine Canadian provinces, the company's 14,500 associates provide localized, customer-driven services including jobsite delivery, will call or direct-ship options, diversified logistics and innovative solutions that contribute to its customers' success.

HD Supply's industry-leading businesses include HD Supply Waterworks, HD Supply Utilities, HD Supply Facilities Maintenance and HD Supply White Cap. HD Supply has an expansive product offering of approximately one million SKUs of quality, name-brand and proprietary products at competitive prices in the following market sectors:
