

INVOLVED WITH OUR COMMUNITIES

JUNE 2011

REVITALIZING AN ATLANTA WOMEN'S SHELTER

In May 2011, the Atlanta chapter of the HD Supply Women's Network (HDSWN) enlisted associates, family and friends to volunteer their time at the Atlanta Women's Resource Center to End Domestic Violence (WRC).

The team collaborated to build a fence, plant a garden, paint interior walls, install shelving units and perform general landscaping work around the facility.

The WRC, a nonprofit organization focused on ending violence against women, offers a safe house and supportive services for women and children in the Atlanta area who are fleeing violent domestic situations or who are survivors of domestic violence. The HDSWN began working with the WRC in 2011, soliciting ongoing donations of food and clothing items for the women and children seeking shelter at the safe house — who often arrived with nothing more than the clothes on their backs.

Visit [WRC's website](#) to learn about the many services it provides to local women and children seeking refuge from domestic violence.

HD Supply's charitable giving is in the form of volunteerism, product donations or giving to nonprofit organizations that positively impact the communities where we live and work. We believe in directly supporting causes that adhere closely to our business operations and seek to better the world in which we live, specifically:

Education

Support the education of our youth through organizations and programs fostering educational excellence.

Wellness

Support programs and organizations that promote research, prevention, awareness and education of health issues that affect our associate population.

Build

Support construction, reconstruction and rehabilitation programs and organizations with particularly compelling impact in areas where HD Supply maintains a significant population of associates.
