

William P. Stengel
Senior Vice President, Chief Operating Officer, HD Supply Facilities Maintenance

William (“Will”) P. Stengel has served as Chief Operating Officer for HD Supply Facilities Maintenance since August 2016. Prior to his current role, he served as Senior Vice President, Chief Commercial Officer of HD Supply from January 2016 to August 2016 and as Senior Vice President, Strategic Business Development and Investor Relations from July 2013 through January 2016. Mr. Stengel held the role of Vice President, Strategic Business Development from June 2010 to July 2013.

In his current role, Mr. Stengel has responsibility for strategy, supply chain, merchandising and global sourcing, e-Commerce, marketing, customer care, human resources, information technology, inside sales and USA Bluebook and Canadian operations at HD Supply Facilities Maintenance. He joined HD Supply in July 2005 and has held leadership roles across the company including HD Supply strategy, corporate development, strategic finance, strategic growth initiatives, real estate and investor and public relations. He has 20 years of experience focused on finance, strategic growth and operational execution. He has led numerous acquisition, divestiture and capital market transactions, including his leadership role in the initial public offering of HD Supply in June 2013.

Prior to HD Supply, Mr. Stengel worked for Stonebridge Associates, an investment banking firm focused on merger and acquisition, divestiture, private placement, and strategic financial advisory services to middle-market companies across a range of consumer, technology, and industrial sectors. He also worked in corporate and investment banking with Bank of America Merrill Lynch. Mr. Stengel holds a bachelor’s degree in economics from Trinity College and an M.B.A. degree with a concentration in strategy and finance from Vanderbilt University’s Owen Graduate School of Management. He is involved with the Atlanta Speech School and the Westminster Schools in Atlanta and is married with three sons.

HD Supply (www.hdsupply.com) is one of the largest industrial distributors in North America. The company provides a broad range of products and value-add services to approximately 500,000 customers with leadership positions in maintenance, repair and operations, infrastructure and specialty construction sectors. Through approximately 550 locations across 48 states and six Canadian provinces, the company's approximately 14,000 associates provide localized, customer-driven services including jobsite delivery, will call or direct-ship options, diversified logistics and innovative solutions that contribute to its customers' success.
