OVERVIEW

Creative Touch Interiors (CTI) is one of the nation's largest, premium interiors partner to the building industry. CTI offers turnkey supply and installation of multiple interior finish options, including flooring, cabinets, countertops and window coverings, for residential and commercial projects, along with comprehensive design center and interior care services. With over 100 years of collective industry experience, CTI has 50 design centers, presence in 24 states and service functions in 32 states. In the Residential market, all of the top 25 homebuilders in the U.S. rely on CTI for exceptional interior finish products, quality fabrication and installation services. CTI provided products and services for nearly 30,000 homes in 2010.

In the Commercial market, CTI offers interior finish solutions to owners, developers, general contractors, construction managers and design builders for multifamily, hospitality, senior living, military, general commercial/office and sports/entertainment facilities. CTI works with some of the largest construction firms in the industry.

The success of CTI is gauged on the success of its customers, which include project owners, real estate developers, commercial contractors, architects, homebuilders and homebuyers. Our highly skilled designers can work one-on-one with our customers to define personalized style and expertly guide them through the design selection process, transforming all types of facilities, from senior living units to office space to single-family homes, into dream projects. It's the personal touch that makes the CTI experience so special for our customers.
