OVERVIEW

Creative Touch Interiors (CTI) is the leading provider of interior finish solutions to the construction industry. We are dedicated to providing the finest quality products and installation services to residential and commercial market segments. Our project portfolio includes hotels, stadiums, office buildings and apartment complexes, as well as single and multi-family residential homes.

We offer turnkey supply and installation services for multiple interior finish options, including flooring, cabinets, countertops and window coverings, along with comprehensive design center services for residential and commercial projects. Our award-winning builder solution, the Total Choice Advantage Program (TCAP), helps builders capitalize on home buyer upgrades through guaranteed pricing and pre-selected products in a variety of categories. This type of continuous innovation is why many of the nation's top homebuilders rely on us to provide personal touch service to their home buyers through our exceptional design center programs.

Operating over 80 design centers across 19 states, CTI is a proven leader in the interior finish solution industry and is committed to providing innovative solutions to our customers. Backed by HD Supply, one of the largest diversified distributors in the U.S., CTI has unparalleled resources to serve our customers.
