**FOR IMMEDIATE RELEASE**

**HD Supply Construction & Industrial Continue to Invest in the Denver Market with Fifth New Location**

**Atlanta – February 29, 2016** – HD Supply Construction & Industrial – White Cap, a leading distributor of specialty hardware, tools and concrete accessories for professional contractors, today announced the opening of its new 108,000 square-foot location in downtown Denver at 701 Osage St.

The new facility, along with four additional Colorado locations -- Aurora, Fort Collins, Colorado Springs and Grand Junction -- will provide industrial, commercial and residential contractors with an extensive inventory, combined with will-call, job site delivery and direct-ship options.

“Our five Colorado locations, staffed by our knowledgeable and service-oriented sales teams, help to make sure we offer the highest level of service and coverage in this large market,” said John Stegeman, president of HD Supply Construction & Industrial. “Our newest branch in downtown Denver provides our customers with an increased inventory selection at a convenient location, and will serve as a central hub for our Colorado locations.”

HD Supply Construction & Industrial – White Cap has opened two additional branches in the last six months in Mendota Heights, Minn. and Cumming, Ga.
