FOR IMMEDIATE RELEASE

Creative Touch Interiors Appoints Lance Devin as President
Experienced Executive Well-Positioned to Drive Company Growth

ATLANTA – March 18, 2013 – Creative Touch Interiors (CTI), an HD Supply business that provides interior finish solutions to the residential and commercial construction industries, today announced the promotion of Lance Devin to president of CTI.

In this role, Devin will be responsible for all functions and operations for CTI, one of the nation's largest premium interiors partners to the building industry. He will report to Joe Izzanics, senior vice president, HD Supply.

"Lance's tenacity and focus on process, operations and sales have contributed to CTI's growth and success," said Izzanics. "I'm confident that his strong leadership skills, customer focus, and drive for excellence will propel CTI's business strategy and achievement of our goals."

Upon taking his new position as president, Devin commented, "I am honored to be leading CTI during this time of sustained growth, and I look forward to helping the company thrive, while ensuring our customers experience outstanding value-added service and support."

Formerly vice president of Operations, Devin has held a number of operational leadership roles at CTI over the past eight years. Prior to joining CTI, Devin spent more than nine years as a pilot and officer in the U.S. Air Force honing his leadership abilities and building upon his strong work ethic, integrity and diligence.

Devin holds a Bachelor of Science degree in Aeronautical Engineering from the U.S. Air Force Academy and a Master's degree in Aeronautical Science from Embry-Riddle Aeronautical University, Daytona Beach, Fla.

About CTI:

Creative Touch Interiors (CTI) (www.ctihome.com) is one of the nation's largest, premium interiors partner to the building industry. The company offers turnkey supply and installation of multiple interior finish options, including flooring, window coverings, cabinets, and countertops for residential and commercial projects, along with comprehensive design center services. With more than 100 years of collective industry experience, CTI has more than 50 design centers and offers installation services in 30+ states. CTI is an HD Supply business.

About HD Supply:

HD Supply (www.hdsupply.com) is one of the largest industrial distribution companies in North America. Through a diverse portfolio of industry-leading businesses and more than 80 years of experience, the company provides a broad range of products and services to approximately 440,000 professional customers in the infrastructure, maintenance, repair and improvement, and specialty construction markets. With 630 locations across 45 states and nine Canadian provinces, the company's 13,600 associates provide localized, customer-driven services including jobsite delivery, will call or direct-ship.
