HD Supply Holdings, Inc. Reaffirms Previously Disclosed Guidance for Third Quarter Fiscal 2014

ATLANTA, GA – November 19, 2014 – HD Supply Holdings, Inc. (Nasdaq:HDS) announced today that it reaffirms its previously disclosed guidance for its third quarter fiscal 2014 included in its second quarter fiscal 2014 earnings release dated September 9, 2014 under the heading “2014 Third Quarter Outlook”, which was furnished with the U.S. Securities and Exchange Commission (the “SEC”) on a Current Report on Form 8-K dated September 9, 2014.

Forward-Looking Statements

This press release includes “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond our control. We caution you that the forward-looking information presented in this press release is not a guarantee of future events, and that actual events may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as “may,” “plan,” “seek,” “comfortable with,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe” or “continue” or the negative thereof or variations thereon or similar terminology. A number of important factors could cause actual events to differ materially from those contained in or implied by the forward-looking statements, including those factors discussed in our filings with the SEC, including our annual report on Form 10-K, as amended, for the fiscal year ended February 2, 2014, and those described from time to time in our other filings with the SEC, which can be found at the SEC’s website www.sec.gov. Any forward-looking information presented herein is made only as of the date of this press release, and we do not undertake any obligation to update or revise any forward-looking information to reflect changes in assumptions, the occurrence of unanticipated events, or otherwise.
