**HD Supply Facilities Maintenance Expands Presence with New Houston Distribution Center**

**SAN DIEGO – September 17, 2014** – HD Supply Facilities Maintenance, a leading distributor of maintenance, repair and operations (MRO) products, today announced the opening of its newest distribution center (DC) located at 10565 Greens Crossing Blvd in Houston. The new 500,000-square foot facility doubles the size of the company’s presence in the Houston market, providing customers throughout Texas and Louisiana with a comprehensive selection of locally stocked maintenance supplies.

“We are committed to providing our customers with the best products, fulfillment, support and services in the industry,” said Anesa Chaibi, president & CEO of HD Supply Facilities Maintenance. “Our expanded presence in the Houston area allows us to improve our local inventory position, ensuring thousands of quality products are available when and where our customers need them.”

The facility will employ more than 100 associates when fully staffed, bringing new job opportunities to the Houston area.

“Providing our customers with exceptional service is our top priority,” said David Wilson, Chief Operations Officer of HD Supply Facilities Maintenance. “With more than 22,000 locally stocked products and thousands more available online, we are the single-source supplier our customers can depend on.”

In addition, as part of HD Supply’s growth strategy, HD Supply Facilities Maintenance recently opened a new DC in Tampa, Fla.
