**FOR IMMEDIATE RELEASE**

**HD Supply Facilities Maintenance Launches TruPerspective™ at  
INTERNATIONAL HOTEL, MOTEL + RESTAURANT SHOW®**

*Leading national hospitality supplier demonstrates its continued commitment to help hospitality customers improve their guests' experience.*

**SAN DIEGO – November 5, 2014** – HD Supply Facilities Maintenance, a leading single-source supplier to the hospitality industry, today announced it will unveil TruPerspective™, a program that provides property management with an assessment of their guests' experience, at the INTERNATIONAL HOTEL, MOTEL + RESTAURANT SHOW® (IHMRS).

As part of the TruPerspective program, HD Supply Hospitality Solutions professionals will provide hoteliers with a comprehensive assessment of their property through the lens of a hotel guest. Then a full assessment including photos, feedback on areas of strength and areas of opportunity are presented and discussed with property management.

"We are committed to the Hospitality Industry and helping our customers exceed their guest expectations," said David Kahn, vice president – Hospitality Solutions at HD Supply Facilities Maintenance. "More than 110 of our hospitality specialists have earned their Certified Master Hotel Supplier designation from American Hotel & Lodging Educational Institute. Their expertise allows them to walk a property in its entirety - from curb to lobby, corridors to guest rooms, the fitness center to the pool - and provide hoteliers with expert analysis on what is working well and where they see room for improvement."

In addition, HD Supply Facilities Maintenance will continue its strong presence at IHMRS on November 9-11 at the Jacob K. Javits Convention Center in New York City. They will be exhibiting at Booth #2319.

"IHMRS offers a unique opportunity for our team to strengthen relationships with many of our customers, in addition to introducing new products and services such as TruPerspective," added David Kahn.
