FOR IMMEDIATE RELEASE

HD Supply Power Solutions Expands Presence with Three New Locations

ATLANTA – May 7, 2013 – HD Supply Power Solutions, a leading provider of an extensive and dynamic portfolio of products, services and solutions for Public Power, Investor-Owned Utilities, Construction and Industrial customers, today announced the addition of three new locations. The opening of the facilities – one each in Texas and North Carolina and an expansion in Utah – extends the presence of HD Supply Power Solutions in key geographic regions and enhances the services offered.

The new locations are:

- Midland, Texas
- Durham, N.C.
- Salt Lake City, Utah

“We are proud to offer our strong lineup of products and services to customers in these three cities,” said Steve Margolius, President, HD Supply Power Solutions. “These facilities, which extend our reach to customers, including counter service for electrical contractors, align with our business objective to ensure customers have what they need, when they need it and where they need it.”

For more information on the new facilities, customers are encouraged to visit the locations, email: powersolutions@hdsupply.com, call (toll-free) 855- 615-8372, or go to <http://hdsupplypowersolutions.com/>.
