**FOR IMMEDIATE RELEASE**

**HD Supply Waterworks Announces New Headquarters and Training Facility**

**ST. LOUIS – August 25, 2014** – HD Supply Waterworks, an HD Supply business and the nation’s leader in the water, wastewater, storm, and fire protection industries, today announced the relocation of its corporate headquarters and training facility in St. Louis. The move to the 60,000 square foot facility provides a new base of operations for HD Supply Waterworks executive, administrative, sales, marketing and operations teams to better serve customers and position the company for sustainable long-term growth.

“Our new facility offers a larger footprint for the company’s operations, with room for future expansion, while keeping the company within St. Louis’ premier business district,” stated HD Supply Waterworks President Steve LeClair. “We are especially excited about the state- of-the-art training facility that will allow us to offer best-in-class training to our associates.”

The new office is located at 1830 Craig Park Road, Maryland Heights, Mo. The grand opening will be held on August 26, at 7:30 a.m. at the new location with community leaders, HD Supply leadership and suppliers.

In addition, as part of HD Supply’s growth strategy, HD Supply Waterworks recently expanded its footprint in San Antonio, Texas; Westbrook, Maine; Manchester, N.H.; Grand Rapids, Mich.; Cincinnati, Ohio; Poughkeepsie, N.Y.; San Diego, Calif.; and Portland, Ore.

**About HD Supply Waterworks**

HD Supply Waterworks ([www.hdswaterworks.com](http://www.hdswaterworks.com)) is the nation’s largest distributor of water, sewer, storm, fusible piping, and fire protection infrastructure products that serves the needs of both contractors and municipalities in all aspects of the water, wastewater, clean water, landfill, energy, and fire protection industries. HD Supply Waterworks operates more than 240 branches serving both the United States and the Caribbean. HD Supply Waterworks is an operating division of HD Supply ([www.hdsupply.com](http://www.hdsupply.com)), a leading industrial distribution company, providing a broad range of products and services to professional customers in the maintenance, repair and operations, infrastructure and power, and specialty construction sectors.
