OVERVIEW

HD Supply Plumbing/HVAC is one of the nation's largest distributors of plumbing and HVAC supplies, including faucets, fixtures, pipe, valves and fittings, pumps and tanks, water heaters and much more. We focus on delivering superior service by providing customers with the industry's most recognized and reliable brands backed by experienced and talented associates. HD Supply Plumbing/HVAC maintains a diverse and substantial inventory for serving residential, commercial, light industrial, institution and government customers. We also feature regional kitchen and bath showrooms, offering upscale fixtures for the home.
