**FOR IMMEDIATE RELEASE**

**HD SUPPLY ASSOCIATES REJUVENATE ATLANTA'S JAMES T. ANDERSON  
BOYS & GIRLS CLUB AS PART OF ITS COMPANY-WIDE VOLUNTEER DAY**

**ATLANTA – November 12, 2008** – HD Supply, one of the largest diversified wholesale distributors in the infrastructure and energy, maintenance, repair and improvement and specialty construction markets, today announced more than 100 of its Atlanta associates volunteered at James T. Anderson Boys & Girls Club on Saturday, November 8 in its first company-wide community action day.

HD Supply is committed to being a responsible corporate citizen, both internally and externally. In that spirit, HD Supply promotes a spirit of active volunteerism and assists community organizations where its associates live and work. On their day off, more than 2,000 HD Supply associates, their families and friends worked together on a variety of local projects in 65 different locations throughout the country to make a difference in their communities.

Atlanta HD Supply associates teamed up to paint, clean and provide general landscaping for the local Boys & Girls Club. The in-kind products and time donated by the company and its associates will help revive the club for the upcoming year, allowing it to operate more efficiently and making it a more welcoming place for children and families.

"We are thrilled to work with outstanding organizations like the James T. Anderson Boys & Girls Club," said Erica Crosling, Director, PR & Community Affairs, HD Supply. "Actively giving back to the community and demonstrating a caring attitude is intrinsic to our culture and SPIRIT values, and is part of our rich history and legacy."

James T. Anderson Boys & Girls Club offers a quality developmental program that empowers metro Atlanta youth, especially those from disadvantaged circumstances, to become productive adults. This year, the center serviced more than 100 children per day.

"Everyday ordinary people accomplish extraordinary things by volunteering. HD Supply's team of volunteers amazed me with their dedication and hard work," said David Kazanowski, Regional VP of Operations, Boys & Girls Clubs of Metro Atlanta. "We deeply appreciate their support."

-more-

HD Supply volunteers completed the following projects on November 8:

- General landscaping around the club's outdoor play area
- Cleaning and organizing the club's gym, learning center, teen center, study room, game room, library and kitchen
- Painting benches and the gazebo
- Replacing blinds, cove base and ceiling tile throughout the club
