

Mark Jamieson
Senior Vice President and Chief Financial Officer, HD Supply

Mark Jamieson serves as senior vice president and chief financial officer for HD Supply_{sm}. He joined HD Supply from Ryder Systems, a \$6-billion global transportation and supply chain management solutions company, where he served as executive vice president and chief financial officer since 2006.

Prior to that, Mark worked as chief financial officer at one of the largest privately owned companies in the world, Sammons Enterprises, a diversified holding company with interests in insurance, heavy equipment and real estate. He spent 29 years of his career at General Electric (GE), where he held numerous financial leadership roles, most recently as president and CEO of GE Insurance Company.

Mark earned his bachelor's degree in Business Administration from Cleveland State University.

HD Supply (www.hdsupply.com) is a leading wholesale distribution company, providing a broad range of products and services to professional customers in the infrastructure & energy, maintenance, repair & improvement and specialty construction markets. With a diverse portfolio of market-leading businesses, HD Supply is one of the largest diversified wholesale distributors in North America, with approximately 900 locations.
