

Jerry L. Webb
President and CEO, HD Supply Waterworks

Jerry L. Webb is president and CEO of HD Supply Waterworks_{sm}, the market leader in the water distribution industry. Jerry brings more than 26 years of experience with HD Supply Waterworks and its predecessor companies, National Waterworks, U.S. Filter Distribution Group, Inc. and Davis Water & Waste Industries. He has held roles of increasing responsibility including operations manager, branch manager and national sales manager. Most recently, Jerry served for 10 years as regional vice president and led his team to tremendous results.

Jerry received a Bachelor of Business Administration in accounting from Valdosta State University and completed the Executive Leadership program with the U.S. Filter Distribution Group.

HD Supply Waterworks distributes a complete line of water, sewer, fire protection, water systems and storm drain products to serve the needs of both contractors and municipalities in all aspects of the water and wastewater industries. These products are integral to building, repairing and maintaining water and wastewater systems, and serve as part of the basic municipal infrastructure required to support population and economic growth, and residential and commercial construction. The company's success is driven by its 3,300 employees nationwide.

HD Supply Waterworks is part of HD Supply (www.hdsupply.com), a leading wholesale distribution company, providing a broad range of products and services to professional customers in the infrastructure & energy, maintenance, repair & improvement and specialty construction markets. With a diverse portfolio of market-leading businesses, HD Supply is one of the largest diversified wholesale distributors in North America, with approximately 900 locations.
