

**Jon Michael Adinolfi
President, Crown Bolt**

Jon Michael Adinolfi is the President of Crown Bolt. As president, he is responsible for leading one of the largest retail consumer hardware suppliers in the U.S. He joined HD Supply in 2005, as the CFO of Crown Bolt and HD Supply Repair & Remodel. In 2006, he was promoted to CFO of HD Supply White Cap.

Prior to joining HD Supply, he worked for Stanley Works, a \$4-billion manufacturer, where he most recently served as finance leader for the companies Price Realization Center of Excellence.

Prior to joining Stanley Works, he was a senior auditor at Arthur Andersen.

Jon Michael holds a Bachelor's degree in accounting from the University of Connecticut.

Crown Bolt (www.crownbolt.com) is one of the largest consumer hardware companies in the United States and is the primary fastener, builders hardware, rope, chain and garage storage supplier to The Home Depot retail stores. With three strategically placed distribution facilities in the US, Crown Bolt offers delivery to any point in the country generally within 24 hours. Crown Bolt carries over 5,000 parts in our standard inventory with most items also available in large and small quantity packaging as a special order.
