

Steve Margolius
President & CEO, HD Supply Electrical and Plumbing/HVAC

Steve Margolius is President & CEO of HD Supply Electrical and HD Supply Plumbing/HVAC. The Electrical business is a leading wholesale distributor of electrical and data/communications products. Plumbing/HVAC is one of the nation's largest distributors in its industry.

Steve has more than 25 years of business experience and has held leadership roles in distribution, finance and manufacturing. He has the range of skills and expertise needed to effectively understand and respond to the demands of HD Supply's diverse and important customer base.

Prior to joining HD Supply in 2006, he spent five years as VP of Finance and Support Services for the North American Components division of Arrow Electronics. Arrow is a Fortune 200 company and the world's largest distributor of electronic components for the semiconductor industry. In addition to his financial leadership role at Arrow, Steve was responsible for logistics and Lean Sigma.

Steve also has 15 years of finance experience in multiple GE industrial businesses including Power Systems, Plastics Europe, Plastics Americas, Silicones and Appliances, and has served on the GE Corporate Audit Staff.

Steve received a bachelor's degree from the State University of New York at Albany. He is a Six Sigma Green Belt.

Steve serves on the Board of the Directors for the Metro Orlando Economic Development Commission.

HD Supply Electrical and Plumbing/HVAC are part of HD Supply (www.hdsupply.com), a leading wholesale distribution company, providing a broad range of products and services to professional customers in the infrastructure & energy, maintenance, repair & improvement and specialty construction markets. With a diverse portfolio of market-leading businesses, HD Supply is one of the largest diversified wholesale distributors in North America, with approximately 900 locations.
