

Vidya Chauhan
Senior Vice President, Strategic Business Development and Integration

Vidya Chauhan is senior vice president of strategic business development and integration for HD Supplysm. Since joining HD Supply in 2005, Vidya has lead his team in over 32 successful acquisitions and integrations, establishing HD Supply as the No. 1 acquirer in the end markets the company serves. He is responsible for strategic planning as well as driving execution, excellence and speed to enable effective and efficient transactions and integrations.

Vidya brings over 18 years of experience from General Electric (GE), where he held several positions, including vice president and chief risk officer for GE Auto Financial, during which he was responsible for managing an \$11-billion global portfolio. Vidya also held several business development and leadership roles within GE Capital Services, Corporate Audit Staff and the Aerospace division.

Prior to his career with GE, he served in the U.S. Navy as a reactor control officer, and received his bachelor's degree in mathematics from The University of Pennsylvania.

HD Supply (www.hdsupply.com) is a leading wholesale distribution company, providing a broad range of products and services to professional customers in the infrastructure & energy, maintenance, repair & improvement and specialty construction markets. With a diverse portfolio of market-leading businesses, HD Supply is one of the largest diversified wholesale distributors in North America, with nearly 900 locations.
