**CREATIVE TOUCH INTERIORS (CTI) HELPS GIVE ALBUQUERQUE-AREA HOME AN  
EXTREME HOME MAKEOVER**

***-- HD Supply's interiors business donates labor and services to make a difference for a  
local Albuquerque family --***

**Albuquerque, NM – April 25, 2008** – Creative Touch Interiors (CTI), an HD Supply business that provides premium customized builder solutions for interior finish selection and installation, recently donated installation services to an Albuquerque-area family as part of the ABC network television show, “Extreme Makeover: Home Edition.” The company installed wall and floor tile, wood flooring and granite countertops for the 5-bedroom, 3-bath main house, the “mission” duplex and a surprise third home.

The Martinez family of Albuquerque, NM was selected to have their duplex, which they currently use as a refuge for homeless families in need, transformed into a larger and safer home in seven days. CTI donated people resources, products and services to the project.

“When the opportunity presented itself to help create a new life for the Martinez family through “Extreme Makeover: Home Edition,” we knew right away we had to get involved,” said Tom Lazzaro, President of CTI. “CTI and HD Supply are committed to giving back to the communities in which our employees live and work, and our associates were lining up to donate their time. We are honored to be part of such a worthy cause and are thrilled to help make an impact with our people, products and services.”

Over the course of seven days, dozens of CTI team members worked more than 600 hours to install the tile, wood flooring and granite countertops throughout the two houses and duplex. CTI also provided flatbed trucks and drivers to deliver products and materials from the local branch, which was used as a staging area for other materials used on the house.

Extreme Makeover: Home Edition will air two back-to-back episodes featuring the Martinez family on ABC nationwide on Sunday, April 27 at 7:00 p.m. EDT.
