FOR IMMEDIATE RELEASE

HD SUPPLY FACILITIES MAINTENANCE LAUNCHES 2011 HEALTHCARE CATALOG

Expanded catalog features broader selection of senior care and healthcare products

SAN DIEGO, June 16, 2011, HD Supply Facilities Maintenance – a leading distributor of maintenance, repair and operating products – today announced the release of its 2011 Healthcare catalog. The new catalog contains thousands of in-stock healthcare products. Expanded to 288 pages, the 2011 catalog features a broader selection of products to meet resident care needs, including a new line of physical therapy products. Customers will also find a larger selection of housekeeping supplies, including cleaning supplies, paper products, and linens specifically tailored for the Healthcare industry. A free copy can be ordered by calling 800-431-3000 or online at www.hdsupplysolutions.com.

HD Supply Facilities Maintenance is a leading distributor of resident care, housekeeping and facility maintenance products, supplies and equipment.

“This catalog is designed with our healthcare customers’ needs in mind,” said Helen Womack, vice president of Healthcare at HD Supply Facilities Maintenance. “Expanding our catalog is just one example that underscores our commitment to the senior care community. We have also expanded our team of expert healthcare specialists, increased our product offerings, and are partnering with many of the industry’s largest organizational advocates for long-term and senior living.”

The all-new line of physical therapy products includes hand exercisers and weights; pulley exercisers and rollers; mats, gait belts and positioning aids; and hot and cold therapy.

The 288-page catalog features six major product categories:

- Therapy and Fitness
- Healthcare and Wellness
- Furnishings
- Common and Public Areas
- Housekeeping and Janitorial
- Maintenance and Repair

The new Healthcare catalog supplements the company's full-line V61 catalog that includes more than 22,000 in-stock maintenance, repair and operations products.

In addition to a deep product offering, HD Supply Facilities Maintenance also has a nationwide network of 36 distribution centers and a fleet of more than 600 trucks to deliver customers orders in a timely and efficient manner. Free, next-day delivery is available on most orders to most areas of the country, and the company offers an in-stock, ready-to-ship guarantee on more than 1,200 of the most-requested items.
