**HD SUPPLY FACILITIES MAINTENANCE OPENS
JACKSONVILLE DISTRIBUTION CENTER**

SAN DIEGO, September 14, 2011 – HD Supply Facilities Maintenance – a leading distributor of maintenance, repair and operations (MRO) products – today announced the opening of its newest distribution center (DC) in Jacksonville, Fla. The new DC is the 39th in the company’s vast operations network in North America.

“We are pleased to announce the opening of our Jacksonville DC, said Anesa Chaibi, president and CEO of HD Supply Facilities Maintenance. “The location of our newest distribution center will allow us to better service the area. The opening of this DC is part of our commitment to continually evolve and enhance our business to meet the expectations for our customers.”

“The strategic investments in our distribution network have allowed us to add technological advancements, like the Pick-to-Voice order selection system that makes our order accuracy second-to-none, as well as to expand our network to more efficiently serve our customers,” added David Wilson, vice president – Operations, HD Supply Facilities Maintenance. “Coming on the heels of the opening of our DC in Boston, Jacksonville is another important component in our operations network. With support from our Lakeland, Fla. distribution center, we’ll be able to provide exceptional service throughout the region.”

The Jacksonville DC is located at 8600 Jesse B. Smith Ct., Jacksonville, Fla. 32219.
