**HD SUPPLY WHITE CAP EXPANDS GEOGRAPHIC FOOTPRINT TO NASHVILLE**

**COSTA MESA, CALIF. – April 13, 2011** – HD Supply White Cap, the nation's leading distributor of concrete accessories, tools and safety products for professional contractors today announced the opening of its newest store located at 925 Fesslers Lane in Nashville, Tennessee.

The Nashville facility carries an extensive inventory of products, has a magnificent 5,000 square-foot counter area to display many of these products, and is backed by a team of service professionals with more than 85 years of combined experience in the construction industry. Additional value-added services include contractor pick-up service for advance orders and delivery service direct to the jobsite – offered throughout the network of 130 branches in 28 states across the U.S.

“We look forward to meeting and serving new and existing customers to build strong, lasting relationships in the community,” said Paul Radomski regional vice president at HD Supply White Cap. “Meeting every customer need while offering the absolute best customer service is what we’re all about.”
