FOR IMMEDIATE RELEASE

**HD SUPPLY FACILITIES MAINTENANCE LAUNCHES
2009 CATALOG - FEATURING PRODUCTS AND SERVICES**

Leading national MRO supplier 2009 catalog provides affordable options to maintain and upgrade properties.

SAN DIEGO, CALIF. – April 5, 2009 – HD Supply Facilities Maintenance, the leading distributor of maintenance products and operating supplies to the multifamily industry, today announced the release of its 2009 catalog (Volume 59) containing 20,000 stocked maintenance, repair and operating (MRO) products. The catalog also features the company's value-added services. The annually produced catalog has more than 1,600 pages of products, trade tips and technical information to help customers find what they need quickly. The catalog is also available at www.hdsupplysolutions.com in a fully searchable version.

"Now more than ever in these tough economic times, our customers are looking to us to provide them with choices," said Anesa Chaibi, president of HD Supply Facilities Maintenance. "We are committed to offering our customers good, better and best product alternatives, exceptional customer service and next day delivery."

The 2009 catalog contains 2,800 new products and focuses on providing solutions to customers' maintenance and renovation challenges. Many of the new products and programs were created as a result of HD Supply Facilities Maintenance award-winning Voice of the Customer (VOC) program.

"Customers are looking to stretch their budgets, keep their residents, guests or customers satisfied while maintaining the value of their assets – their facilities," Chaibi added.

The 2009 Catalog V59 includes the following products:

- Custom Fabricated Thermofoil doors and drawer fronts – offered in three styles and five colors, this product adds value to properties/facilities and is an inexpensive way to upgrade kitchens.
- Brighton® Kitchen Cabinets – offered in three finishes featuring solid wood doors, drawers, face frames and dovetail construction.

-more-

- Expanded line of HD Supply's exclusive brand - Seasons and Seasons Gold:
 - Seasons Gold™ dual mount ceiling fans with ENERGY STAR®-qualified motors and light kits – attractive, energy efficient and affordable.
 - Expanded line of faucets and bath hardware. New styles and finishes that are organized by product suites. Senator™, Keating™, Callabria™ and Gramercy Park™ include quality faucets and hardware. The faucets feature a PVD finish that will stand up to years of use, ceramic cartridges for exceptional performance and dependability and Neoperl® aerators.
- Cotton Bay™ – the new exclusive brand of linen, terry and bedding, developed with the needs of hospitality professionals and their guests' expectations in mind. Cotton Bay offers consistent quality and reliable performance.

In addition to the exclusive products mentioned above, below are some of the new product offerings:

- HD Supply Facilities Maintenance and Kwikset now offer the 660 series deadbolt with Smartkey™ technology. These locks eliminate rekeying costs and save time and money by improving the efficiency of the maintenance staff. Locks can be rekeyed in 30 seconds without removing them from the door.
- Frigidaire® affordable stainless steel appliances.
- HD Supply Facilities Maintenance strives to inform its customers of legislation that could impact their operations and has added metal halide fixtures that meet the Federal Energy Independence & Security Act.
- The company also provides the most commonly used products in compliance with the Virginia Graeme Baker Pool & Spa Safety Acts.

Also featured in this year's catalog is HD Supply Facilities Maintenance's service offering, including:

- Renovation Services – provides customers with everything - from the planning phase to completion - they need when considering renovation or property rehab, including a dedicated support team, project and budget management.
- Fabrication Services – manufactures custom products to meet everyday maintenance needs, including fabricated blinds, window screens, kitchen cabinets, countertops, doors and much more.
