**FOR IMMEDIATE RELEASE**

**HD SUPPLY FACILITIES MAINTENANCE LAUNCHES  
2010 HEALTHCARE CATALOG SUPPLEMENT**

*Featuring more than 1,400 new products for senior care facilities*

**SAN DIEGO, CALIF. – June 7, 2010** – HD Supply Facilities Maintenance, a leading distributor of maintenance, repair and operations products to the multifamily, hospitality and healthcare industries, today announced the release of its 2010 Healthcare catalog supplement. Intended for use by central supply, administrators and housekeeping departments in the senior care industry, the supplement contains thousands of healthcare maintenance, housekeeping and resident care products.

The annually produced supplement features products customized to the needs of senior care facilities, including linens, lifts, beds, mattresses, incontinence products, privacy curtains, wheelchairs and repair parts, nurse call products, resident room furniture and much more. The catalog is also available at [www.hdsupplysolutions.com](http://www.hdsupplysolutions.com) in a fully searchable version.

“The addition of more than 1,400 new products geared specifically to senior care facilities and their residents, underscores our dedication to the senior care industry,” said Anesa Chaibi, president and CEO of HD Supply Facilities Maintenance. “Our broad product offering, encompassing everything from facility maintenance products to resident care supplies, means our customers can use us as a single-source supplier, saving them time and money throughout their purchasing process.”

HD Supply Facilities Maintenance’s new product additions include a healthcare-specific linen and terry program, Hoyer® lifts and slings from Joerns®, privacy curtains and track components from Diamond Drapery®, in-stock mattresses, First Quality® incontinence products, Philips® defibrillators and shelving from Nexel®. These additions complement existing product lines from well-known brands such as Invacare®, Basic American®, Drive® and Smart®.

In addition to new products, the catalog highlights HD Supply Facilities Maintenance’s extensive service offerings, including:

Online Ordering – Fast product search, online order history, saved lists and e-mail order confirmations make the entire purchasing process easy. HD Supply Facilities Maintenance also offers customized electronic solutions including third-party procurement support, integrations, electronic catalogs and punch-out services.

Fabrication Services – Products customized to meet everyday maintenance needs, including fabricated window blinds, window screens, kitchen cabinets, countertops, doors and more.

-more-

Training Services – Taught by professional trainers and trade experts, classes are geared to both basic and advanced skill levels and are designed to take maintenance staff skill-sets to the next level.

Renovation Services – Provides project support from planning through completion, including a dedicated renovation service coordinator, project management and budget management.

As a stocking distributor of maintenance, resident care and housekeeping products, HD Supply Facilities Maintenance provides free shipping on orders more than \$50 with same-day shipping and delivery within two days on most items to most areas of the country.

In addition to its full line of products and services, HD Supply Facilities Maintenance's commitment to senior care is exemplified by its membership in some of the industry's largest and most influential trade associations, including the American Health Care Association, the Assisted Living Federation of America and the American Association of Homes and Services for the Aging, as well as participation in multiple group purchasing organizations such as HPSI® and Tidewater Group Purchasing.
