FOR IMMEDIATE RELEASE

**HD SUPPLY FACILITIES MAINTENANCE APPOINTS HELEN WOMACK
VICE PRESIDENT OF HEALTHCARE**

SAN DIEGO – April 28, 2011 – HD Supply Facilities Maintenance – a leading distributor of maintenance, repair and operating (MRO) products – today announced Helen Womack as Vice President of Healthcare to focus on and drive company strategy for the healthcare business.

In this newly created role, Womack will lead specialized teams across the organization to target and develop programs to grow the company's product and service offerings. Womack's appointment is part of a larger, master plan to further establish expertise across the industries HD Supply Facilities Maintenance serves and deepen its strong commitment to the healthcare industry.

"Helen's industry background and operational excellence in support of customer relationships make her a great addition to our leadership team," said Anesa Chaibi, president and CEO of HD Supply Facilities Maintenance. "Additionally, she brings to the table a breadth of experience in developing and implementing start-up and aggressive sales growth solutions."

Before joining HD Supply Facilities Maintenance, Womack led national accounts for post-acute products and services with Hill-Rom Company and grew sales across a wide customer base including Integrated Delivery Networks, national Group Purchasing Organization customers; and distributor and third party payer business. Womack also has managed regional corporate accounts and sales teams for several Johnson & Johnson companies – where she received her Six Sigma black belt certification.

Womack is based in San Diego and will report directly to Anesa Chaibi.
