FOR IMMEDIATE RELEASE

HD SUPPLY FACILITIES MAINTENANCE LAUNCHES 2011 CATALOG FEATURING EXPANDED PRODUCTS AND SERVICE CAPABILITIES

SAN DIEGO – March 30, 2011 – HD Supply Facilities Maintenance – a leading distributor of maintenance, repair and operating (MRO) products – today announced the release of its 2011 full-line Catalog Volume 61 featuring more than 22,000 in-stock products and value-added services – available with free, next-day delivery. A free copy of Catalog V61 can be requested by calling 800-431-3000 or by going online to www.hdsuppliesolutions.com.

“Customers have evolving needs and expectations. With our broad product and service offering, they can rely on us to deliver the right solution every time,” said Anesa Chaibi, president and CEO of HD Supply Facilities Maintenance. “We continually monitor and analyze customer feedback to identify the key areas that matter most. This enables us to meet and exceed those expectations.”

The 1,800-page catalog features an expansive array of products and services to meet customers’ changing needs. Some of the products and services highlighted in Catalog V61 include:

Expanded Products – Exercise Equipment, Physical Therapy products and ADA-Compliant Swimming Pool Lifts.

Sustainable Products – The ideallygreensm program includes more than 1,200 environmentally preferable products including new LED Lighting, a Sustainable Product Index, an ideallygreensm Calculator and ideallygreensm Checklist. The program also provides ideas and recommendations to reduce a facility’s impact on the environment.

Expanded Services – HD Supply Facilities Maintenance is a single-source provider of products, labor and scheduling regardless of the size of the project. Full turnkey and major installations are offered in many markets, and custom products such as fabricated blinds, window screens, kitchen cabinets, countertops and doors are now readily available.

Free Customer Training – Extensive trade training programs including Make-Ready Maintenance, Conservation Maintenance, Air Conditioning Refrigerant Service, Pool Care and Safety On Site.

“Our dedicated team of experienced professionals is a key differentiator for us,” added Chaibi. “We see each customer interaction as an opportunity to drive customer satisfaction, build trust and strengthen relationships.”
