FOR IMMEDIATE RELEASE

**HABITAT FOR HUMANITY ORLANDO RECEIVES \$250,000
DONATION FROM HD SUPPLY**
HD Supply Signs on as Sponsor of Staghorn Villas Townhome Community

Orlando, Fla. – Habitat for Humanity Orlando is one step closer to building its first-ever townhome community, thanks to a new building sponsor. HD Supply – a leading wholesale distribution company – recently donated \$250,000 toward funding Staghorn Villas, a new multi-family development that will provide affordable housing for 58 local families.

The 3.9-acre community, located on Staghorn Drive and Silver Star Road, will feature 10 townhome buildings with four to eight units each, surrounded by green spaces and play areas.

Habitat Orlando has traditionally relied on local donations to fund its work. Due to the magnitude of the new development, Habitat's finance committee developed a comprehensive funding plan that includes government grants, private-foundation grants and commercial financing, in addition to continued support from the Central Florida community.

“HD Supply is proud to embark on this worthwhile effort with Habitat Orlando as we help rebuild the lives of families in need,” said Joe DeAngelo, CEO of HD Supply. “We are especially excited to be a part of the most environmentally-friendly and unique initiative Habitat Orlando has developed in Central Florida to date. In addition to our financial donation, we look forward to providing additional support to Staghorn Villas through our associates' volunteer efforts, further demonstrating our commitment to the Central Florida community.”

Dee Danmeyer, executive director of Habitat for Humanity Orlando, added: “Thanks to this generous contribution, we will be able to expand affordable housing and empower families and local neighborhoods – making Orlando a better place to live and work. We appreciate HD Supply’s commitment to this development as we help families fulfill the American Dream of homeownership.”

Two other companies – Hannover Life Reassurance Company of America, an international reinsurance company; and CHEP USA, a global leader in pallet and container pooling services – have also signed on as building sponsors for the Staghorn Villas development.

About Habitat for Humanity Orlando

Habitat for Humanity Orlando is a not-for-profit, ecumenical, Christian organization dedicated to transforming the lives of low-income, hard-working families through the American dream of homeownership. Rated a four-star charity by Charity Navigator, Habitat Orlando works together with local sponsors, donors and volunteers to build communities and build families throughout Central Florida. To learn more about Habitat Orlando or to make a donation, call (407) 648-4567 or visit www.habitat-orlando.org.
