OVERVIEW

HD Supply Repair & Remodel is a leading home improvement and building materials supplier that sells wholesale to the public, meaning that the product offering and warehouse formats have been structured to serve the unique needs of small remodeling contractors, tradesmen and the “Do-It-Yourself” home improvement market. Our product selection includes doors, windows, cabinets, countertops, flooring, plumbing, electrical, lumber, building materials, paint and more. We buy in bulk and direct from the manufacturer to ensure the absolute lowest cost to the customer. HD Supply Repair & Remodel has a loyal customer base because of its focus on 98%+ in-stock inventory levels, 15,000 SKU tailored product assortment, inventory maintained in multiple job quantities, competitive pricing, speed of shopping experience and a very successful customer loyalty program, the “Cash Back Club.”

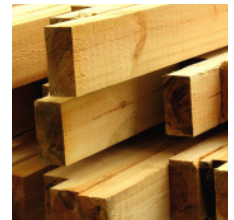

Most locations feature a unique one-of-a-kind drive through lumberyard so the customer can load it once and get out quick. Each location offers large and small equipment rental on a daily, weekly or monthly basis; access to over 1 million special order items; and delivery in four hours or less. All warehouses are open seven days a week and no membership fees are required.
