#1

NATIONAL INDUSTRY
POSITION

SERVICE AVAILABLE IN ALL

50

STATES AND
THE CARIBBEAN

2,700+

DEDICATED ASSOCIATES
TO SERVE YOU

HD Supply Waterworks is the nation's largest distributor of water, sewer, storm and fire protection products with more than 240 locations and 2,700 dedicated associates. We deliver the quality products and superior services our customers demand to get the job done. Our highly knowledgeable associates understand the specific needs of our customers and can be relied upon to provide local service and expertise. Our comprehensive technology and supply chain integration drives efficient and accurate order fulfillment.

We serve the needs of both contractors and municipalities in all aspects of the water, wastewater, storm, landfill, energy, and fire protection industries. Our products are integral to building, repairing and maintaining water and wastewater systems and are part of the basic municipal infrastructure required to support population and economic growth, and residential and commercial construction.
